

# SUTHERLAND. DOS LOCOS

## Quick Hook-Up Stereo

### Cartridge Compatibility

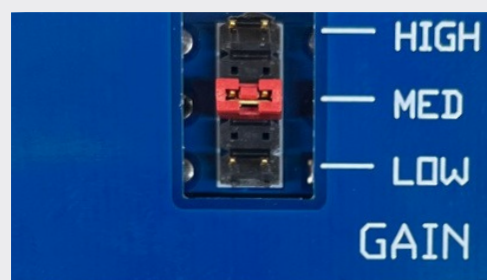

Use only low output MC, less than 20 Ohms internal resistance. Not MM, nor high output MC.

Email: [info@sutherlandengineering.com](mailto:info@sutherlandengineering.com)

Phone: (816) 718-7898

### Gain

Internally adjustable to HIGH, MED or LOW. There is plenty of gain for very low output MC cartridges. Even with the lowest output MC, background noise vanishes.
